

Press release – For immediate release

**THE TRUE BENEFIT OF A RECENT TRADE MISSION TO CHINA :  
THE ZHENYUAN GROUP SELECTS THE CITY OF BROSSARD  
FOR IT'S NORTH AMERICA OPERATIONS**

BROSSARD 1<sup>st</sup> November 2007 – Mr. Yunlai Pian, chairman of the board of the Zhenyuan Group, is proud to announce the selection of the City of Brossard as the cornerstone of its' North American operations. « The board of Directors have agreed to my recommendation to open our North American headquarters in the City of Brossard. After reviewing a number of options, our choice initially went to the City of Montreal, a metropolis which offers all business services in relation to our activities» stated Mr. Pian.

« The close implication of Mr. Jean-Marc Pelletier, mayor of the City of Brossard, and of Mr. Marcel Lussier, MP of the Brossard - La Prairie riding, were instrumental in choosing Brossard to host our offices. During a recent meeting in the City of Anyang and in the following weeks, they were able to point out the added benefits of opening our headquarters in Brossard. I would like to express our appreciation for the support they have been providing to help us initiate our activities in North America » added Mr. Pian in an additional comment.

« We are truly happy that the Zhenyuan Group have chosen Brossard to open their head office in North America. The venue of this industrial conglomerate, active in the fields of energy and real estate, will have a positive impact on the business environment of our city. For our business people, this will be a unique opportunity where technologies developed in the region will assist the conglomerate in developing their activities in China » stated Mr. Jean-Marc Pelletier, mayor of the City of Brossard.

« I would like to express my appreciation to our team, headed by councillor Gilbert Lizotte, who have supported the Zhenyuan Group in selecting the right location, in our city, to host their headquarters » added Mr. Pelletier.

« Since Brossard is known for its expertise in the field of energy and real estate, the venue of the Zhenyuan Group will be beneficial to China and to our region. For all of those who question the benefits of trade missions in foreign countries, such an implementation is a clear evidence of the benefits, in job creation and investments, that these trade missions can have for our fellow citizens. At this time, other investment projects are being assessed and we will carry on activities to support foreign investments in our region » added Mr. Marcel Lussier, member of parliament for the Brossard - La Prairie riding, in his closing remarks.

The Zhenyuan is a major industrial conglomerate based in the city of Anyang, Henan province, China. The holding was established in 1992 and is active in the fields of real estate, construction, natural gas, new energies, geothermy and also in the mining industry. The total assets of Zhenyuan Group are currently US \$160 M with total revenues of US \$95 M for year 2006.
